ARTICLE 1 - DEFINITIONS

1. "Employee" or "employees" is defined as all employees of the Employer whether employed full time, part time or short hour and on call, working within the classifications set forth in the Appendix "A" attached hereto and made a part of this Agreement, excluding office and clerical employees, supervisory employees with authority to hire, promote, discharge, discipline or otherwise affect changes in the status of employees or effectively recommend such action.
2. Regular full time employees are defined as those who normally have a set schedule to work at least forty (40) hours per week.
3. Regular part time employees are defined as those who normally have a set schedule to work at least twenty (20) hours per week.
4. Regular part time employees are eligible for vacation pay and holiday pay.
5. Short hour employees are defined as those who normally have a set schedule to work less than twenty (20) hours per week.
6. On-call employees are defined as those who fill-in" on an as needed basis. They are not regularly scheduled. They can work anywhere from 0-40 hours per week and their assignments are subject to the direction of management.
7. Upon hire, employees shall be notified, in writing, of their status (full-time, part-time, short hour or on-call). Should this work status change for any reason, such employees shall also be notified by the Employer in writing. Such notice of change in

work status shall be provided to the Union office on a monthly basis as well.

8. Any employee who is currently not classified as Full-Time who works on average thirty (30) hours or more per week during the preceding twelve (12) month measurement period (personal or ACA) will be reclassified to Full Time, beginning the 1st day of the following month.

Any employee who is currently not classified as Part-Time and who works a set schedule of twenty (20) hours or more a week for six (6) consecutive months will have their work status changed to Part-Time.

ARTICLE 2 - RECOGNITION

The Employer recognizes the Union as the exclusive representative for all parking employees of Employer in the classification shown in Appendix "A" in the County of San Diego for the purpose of collective bargaining. This Agreement shall cover all such employees.

ARTICLE 3 - UNION

1. Only Union members shall be retained in employment. For the purposes of this Section, "Union members" shall be defined to mean employees who tender the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership. All employees covered by this Agreement will be or become members in good standing of the Union. Employees must become a member of the Union by the end of the succeeding payroll period after thirty-one (31) days from the date the employee starts to work.

2. All employees, upon hire, will be requested to sign an authorization for payroll deduction form and the Employer shall deduct from the wages of each employee an amount equal to the regular monthly dues and the amount of the initiation fee of the Union. Such deductions shall be made on the pay day immediately preceding the end of the calendar month, to be applied to the following month's dues, and shall be transmitted together with a list of the names of the employees from whose pay deductions are made.

3. The Employer agrees to deduct from the paycheck of any employee covered by this Agreement voluntary contributions to DRIVE. The Employer shall remit on a monthly basis to Local 481 DRIVE, in one lump sum, the total amount deducted along with the name of each employee on whose behalf a deduction is made, the employee's social security number and the amount deducted from that employee's check.

4. The Employer shall, on or before the fifth (5th) of the month, by mail, notify the Union of all new hires during the previous month.

5. Upon hiring or rehiring an employee covered by this Agreement, the Employer shall provide the employee with a Union registration form setting forth his hire date, classification, and pay rate and direct the employee to convey the form to the Union office within fourteen (14) calendar days. Upon registration, the Union shall endorse the form and return a copy to the Employer.

6. The Employer agrees to provide suitable space for a Union Bulletin Board, located at a place mutually determined by the Employer and the Union. Postings by the Union on the board are to be confined to official business of the Union.

7. The Employer agrees, subject to landowners' approval, to display to the public the Union shop card, which shall be furnished by the Union.

8. Employees shall have the right to wear Union buttons.

ARTICLE 4 - NONDISCRIMINATION

Neither the Employer nor the Union, in carrying out their obligations under this Agreement, shall discriminate in any manner whatsoever against any employee because of race, sex, religious affiliation, nationality, physical disability, veteran status, or age.

ARTICLE 5 - PROBATIONARY PERIOD

Upon hire all employees will undergo an initial 120 calendar day review period during which each employee will be closely observed to determine if they can adapt to the varying pressures of the business and are able to learn and adhere to Company policies. Employees may be terminated at any time during this period without recourse through the grievance procedure.

ARTICLE 6 – SENIORITY

"Seniority" is defined as an employee's length of continuous service with the Employer, within the bargaining unit, measured in calendar days from the first day the employee actually worked for the employer on or after the employee's most recent date of hire. Seniority shall not accrue to a probationary employee until completion of the probationary period set forth in Article 5, at which time the employee shall possess seniority as defined in this paragraph. Seniority shall be applicable only as expressly provided in this Agreement. Any employee transferred to any location/facility of his/her Employer will carry with him/her all seniority heretofore established. The rule of seniority shall also apply to requests for time off. As new jobs/vacancies become available, employees in seniority order may be given the opportunity to fill such open job/vacancy if they apply to the Employer, provided the senior employee is capable to perform the work as determined by the Employer.

Seniority shall be broken by (a) discharge for cause unless reinstated through the grievance procedure, (b) voluntary resignation or quit, (c) failure to return to work after a leave of absence or failure to report for work within five (5) calendar days after notice of recall, (d) retirement, (e) layoff, if not recalled within six (6) months, unless Federal, State, County, City or any other government entity requires closure or opening at reduced capacity beyond six (6) months (unless employee declines a valid job recall).

Any reduction in force due to automation or other lack of work shall be by seniority within job classification. The last employee hired within a job classification shall be the first employee laid off. The Employer will

determine the timing of layoffs, the number of employees to be laid off, and in which job classifications layoffs will occur.

If the Employer determines to fill a vacancy in the job classification from which employees have been laid off, such employees shall be recalled in the reverse order of layoff, that is, the last person laid off will be the first person recalled. The Employer will determine the best procedure for notice of recall.

An employee laid off in one job classification may not bump an employee with less seniority in a different job classification.

ARTICLE 7 - GUARANTEED WORK WEEK

1. The schedule of work for all full time employees shall be not less than forty (40) hours in each work week.

2. The provisions of this Article shall not apply where no work is available due to any emergency beyond the control of the Employer. Any dispute as to the occurrence of any emergency shall be settled through the grievance procedure as set forth in Article 18 hereto.

ARTICLE 8 - PAY PERIOD AND PAYROLL DEDUCTION

1. Employees shall be paid weekly or biweekly or semi-monthly.

2. Any employee through the Union may avail himself of the grievance procedure set forth in Article 19 hereof to contest any action taken by the Employer pursuant to this Article and the Employer agrees to abide by decision rendered through such procedure.

ARTICLE 9 - WORKING HOURS AND OVERTIME

1.
(A) Each workday an employee (FT or PT) is required to report and does report, but is not put to work or is furnished less than half said employee's usual or scheduled day's work, the employee shall be

paid for half the usual or scheduled day's work, but in no event for less than two (2) hours nor more four (4) hours, at the employee's regular rate of pay. This section shall not apply to employees who either quit, are suspended immediately for disciplinary reasons, or are discharged after they report for work or to the employee who themselves take time off during the course of the day when not required by the Employer. At the option of the Employer, this section shall not apply to employees reporting late for work. If a regular full time employee is late for work and a substitute is called, that employee may be laid off for that day without compensation. This section does not apply to short hour and on call employees.

(B) If an employee is required to report to work a second time on any work day and is furnished less than two (2) hours of work on the second reporting, said employee shall be paid for two (2) hours at the employee's regular rate of pay.

(C) The forgoing reporting time pay provisions are not applicable when:

Operations cannot commence or continue due to threats to employees or property; or when recommended by civil authorities; or Public utilities fail to supply electricity, water, or gas, or there is a failure in the public utilities or sewer system; or
The interruption of work is caused by an Act of God or other cause not within the Employer's control.

2. Employees covered by this Agreement shall be compensated at one and one-half (1-1/2) times their regular straight-time hourly rate for all authorized work performed in excess of forty (40) hours in any workweek, or eight (8) hours in any workday. Hours worked in excess of twelve (12) in any one work day shall be paid at the rate of two (2) times the employee's straight-time hourly rate.

3. Ten-hour work day: Employer may schedule individual employees for and have such employees work a four-day work week of ten hours per day with all forty (40) such hours at the regular rate of pay and without any overtime premium if permitted by law. When such scheduling and work on a four day, ten-hour day occurs, Article 9, Section 2, shall not apply insofar as it requires premium pay at one-half for hours worked in excess of eight in any one work day.

1. Overtime premium payments shall not be duplicated or pyramided for the same hours worked or paid for under any of the terms of this Agreement.
2. Employees shall have a paid rest break of ten (10) minutes during each four-hour work segment. The time of such break shall be determined by the Company as close to the middle of such four-hour work segment as practicable.

ARTICLE 10 - VACATIONS

1. Regular full time employees accrue paid vacation based on the number of hours worked. Regular part time employees accrue vacation hours according to a pro-rata amount based on the amount of hours worked each pay period in proportion to full time employees. Short hour and on call employees are not eligible for paid vacation. Vacation time may accrue up to a maximum of 1 ½ times the team member's current annual rate of accrual. Once this cap is reached, no further vacation time will accrue until some vacation time is used.

Vacation is accrued at the following schedule:

0-6 months	nothing accrues
7 months - 1 year	1 week accrues
2 year - 4 years	2 weeks accrue
5 years - 15 years	3 weeks accrue
16 years - 20 years	4 weeks accrue
21 years +	5 weeks accrue

Vacation accrues while the employee is working so that after one year of employment, the employee will have available one week of paid vacation. After two (2) years of employment, the employee will have available two (2) weeks of paid vacation, and so on.

Vacation accruals will be based on the number of all hours worked to a maximum of forty (40) hours per week, including compensated time off for holidays, vacations and sick leave. Employees shall receive their full accrual amount according to the schedule above.

Payment for all accrued vacation time shall be made in a manner consistent with federal and state laws. Upon termination, all accrued vacation is due and payable to the employee.

ARTICLE 11 - HOLIDAYS

1. Upon completion of one hundred twenty (120) days of service (effective January 1, 2022), part-time and full-time employees will be granted ten paid holidays as follows:

New Year's Day	Labor Day
Martin Luther King's Birthday	Veterans Day (observed)
Easter Sunday	Thanksgiving Day
Memorial Day	Christmas Day
July 4th	Floater Day

Upon completion of two years of service, part-time and full-time employees will be granted an eleventh paid holiday on the employee's birthday.

2. Employees who qualify for the above-mentioned holidays and who are required to work shall receive the holiday pay in addition to the regular compensation as provided for in this Agreement for their services on the holiday. If any of the holidays fall within an employee's vacation period, the employee shall receive an extra day's pay or an extra day of vacation with pay.

3. To be eligible for a holiday, an employee must be available for work on the work day proceeding the holiday, day of the holiday, and the work day following the holiday, unless otherwise mutually agreed upon by the employee and Employer.

4. Should any of the specified holidays fall on Sunday, the following Monday shall be considered the holiday, with the exception of Easter Sunday.

5. The Employee must request a Floating Holiday at least two (2) weeks in advance mirroring the Company policy for requesting Vacation.

ARTICLE 12 - HEALTH AND WELFARE

The Employer stipulates and agrees that under said health and welfare plans, benefits will be provided to eligible full-time and part-time employees and their dependents on the first of the month following the third calendar month (90 calendar days).

2. In the event of any violation of this section, the Union is released from its obligations under Article 22. Any economic action on account of such breach shall not be deemed a violation of this Agreement.

3. The Employer shall, on or before the fifth (5th) of the month, by mail, notify the Union of the names of all employees covered during the preceding month by the health and welfare plan.

ARTICLE 13 – SICK LEAVE

All employees will accrue five (5) paid sick days per year in compliance with the San Diego Earned Sick Leave and Minimum Wage Ordinance that can be used for illness, injury, or medical appointment of their own or of their child, parent or spouse. Time off for medical and dental appointments may require verification in order to be eligible for this benefit. Unused sick days will be carried over year to year to a maximum of 10 days. Sick leave may be taken in increments of one hour. Unused sick leave is not paid out upon termination of employment. If an employee is absent for three (3) days or more, the Company may require verification of illness and a certification of the employee's fitness to return to work from a physician before sick pay can be honored. Sick leave will not be granted if all sick time has been taken.

Such recommendation shall be final and binding upon all parties. Such recommendation shall be made in writing immediately upon the conclusion of the hearing or within ten (10) working days thereafter, unless the Mediator requires additional time. If either party objects to the Mediation step, they may refer the matter to Arbitration. The Union and Employer agree that written warnings shall not be referred to Mediation/Arbitration unless said warning(s) is relied upon to support a subsequent and timely suspension or discharge. The employee must file a timely grievance(s) on a disputed warning notice(s) in order for a Mediator/Arbitrator to adjudicate them.

Arbitration:

(a) If the parties cannot agree on an Arbitrator said Arbitrator shall be selected from a list of seven (7) names furnished by the Federal Mediation and Conciliation Service, with each side alternately striking one (1) name in order to reduce the list to one (1) person.

(c) Limitation of the Power of the Arbitrator: The powers of the Arbitrator are limited as follows: He/she shall have no power to add, subtract from or modify any of the terms of any Agreement. He/she shall have no power to establish wage scales or, except as he/she is herein specifically empowered, to change any wage.

(d) The decision of the Arbitrator shall be final and binding on all parties.

ARTICLE 20 - BUSINESS AGENT

The business representative or an authorized agent of the Union shall be permitted to visit the place of employment of an employee at any time for the purpose of checking employee's credentials or to gain information concerning matters involved in this Agreement, provided, however, that such representative or agent shall not interfere with the operations of the Employer, shall first request permission of Employer and shall be accompanied by Employer, if Employer so desires.

ARTICLE 21 - MANAGEMENT PREROGATIVES

Subject to the terms of the Agreement, it is understood and recognized that management retains the sole right to determine, without further bargaining with the Union, (1) the type of operations of the Employer; (2) the location of and the schedules of work hours; (3) the methods, processes and means of work; (4) new work processes and procedures; and (5) the need to subcontract work. The Employer reserves the right to transfer employees from one work location to another.

ARTICLE 22 - PRODUCTION

There shall be no work stoppage, no strike, nor any other form of economic reprisal, or lockout during the term of this Agreement. Violation of this clause shall not be subject to the grievance procedure and either party may seek to enjoin such violation through court process.

ARTICLE 23 - UNION PREROGATIVES

Should there be any dispute between the Employer and any other Union having bargaining rights with the Employer, which results in an authorized picket line at the place of employment of such pickets, it shall not be cause for discharge or disciplinary action in the event an employee refuses to cross a lawful picket line that has been sanctioned by Joint Council of Teamsters No. 42.

ARTICLE 24 - COOPERATION

Upon request, the Union agrees to cooperate with the Employer in matters involving governmental rules and regulations, where they affect the business of the Employer, his ability to provide employment, and to pay the wage scale agreed upon.

In the event either party desires to negotiate amendments or modifications, written notice of such intention shall be given to the other party not less than sixty (60) days prior to the expiration hereof or any annual renewal. During negotiations on such modification or amendments, the terms hereof shall remain in full force and effect, provided, however, that if agreement on modifications or amendments has not been reached before the expiration hereof or of any renewal periods hereof, either party may thereafter terminate the entire Agreement by giving ten days written notice of its desire to do so.

2. In the event that any of the foregoing clauses in this Agreement conflict with state or federal laws, either party to this Agreement can, upon ten days written notice, reopen this Agreement for the purpose of amending, deleting, or modifying all clauses in question.

3. This Agreement represents a full and complete understanding as to wages, hours and other conditions of employment and any and

all documents presently in existence are hereby superseded and canceled in their entirety.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day and year first above written.
