

Platform Pillars

Built by members, for members so participation is possible for everyone.

Stewards & Access at Work

Trained steward for every department and shift, with posted coverage maps, contacts, and QR codes on site.

Simple help system: hotline or web form, 24-hour acknowledgment, weekly updates, and monthly huddles to resolve issues.

Legal & Grievance Power

Log every case with deadlines/remedies; member sign-off at closure.

File ULP charges, arbitrate disputes, and litigate strategically backed by rights clinics and a member review panel

Governance & Representation

Representation reflecting membership size for all units
Publish roles, agendas, minutes, and vote records; ongoing bylaw reform.

Platform Pillars

Organizing & Bargaining

Target unrepresented areas/new employers; time negotiations with legislative windows.

Open-bargaining observers; surveys, costing, wage goals; job descriptions and scorecards.

Technology & Accessibility

Secure member portal (contracts, minutes, forms, calendars) with single sign-on.

Hybrid meetings with captions/ADA; helpdesk and strong data custody/audits.

Political & Legislative Program

Map member districts; focus on winnable local issues.

Sync campaigns with bargaining; publish endorsements/filings; clear on-ramps to participate.
