Entered into this 1st day of August, 2023, by and between La Mesa Lumber Company, the undersigned Employer, hereinafter known as the Employer, and Local 481, affiliated with the International Brotherhood of Teamsters, hereinafter referred to as the Union.

### **Article 1 – Purpose**

The purpose of this agreement is to develop a working relationship between the Employer and the Union, in San Diego County, in which the rights of both parties are to be mutually recognized and respected, and to maintain harmonious relations and conditions of employment between the Employer and his employees on all production, handling, and maintenance work during the life of this agreement.

### **Article 2 – Union Security**

The Employer shall have entire freedom of selectivity in hiring under the provisions of this agreement. Neither the Employer nor the Union will discriminate against member or employee because of his or her age, race, color, creed, sex or national origin as specifically prohibited by applicable state and federal laws. No employee shall be discharged for any Union activity not interfering with the proper performance of his work or any other employee's work. The pronoun "he" shall be deemed to mean he or she, as the case may be.

Every employee covered by this agreement who is a member of the Union and in the employ of the Employer shall, as a condition of employment or continued employment, remain a member in good standing of the Union. Every other employee covered by this agreement shall be required, as a condition of employment or continued employment to apply for and become a member of the Union, and to maintain membership in good standing on or after the expiration of thirty-one (31) continuous or cumulative days of employment. For purpose of

this section, "good standing" shall be defined to mean employees who tender periodic dues, initiation and reinstatement fees uniformly required as a condition of acquiring or retaining membership. The Union agrees to accept non-member employees into membership on the same terms and conditions generally applicable to other member employees.

Upon written notice from the Union of the failure on the part of any individual to complete membership in the Union or continue membership in the Union as required by this article, the employee shall be discharged on the fifth (5th) day from receipt of that notice and may be rehired as a new employee at the discretion of the Employer.

The Employer shall notify the Union of job vacancies before hiring new, additional or replacement employees before the vacancy is filled. The Employer may fill a vacancy from any source if the local Union is not able to supply qualified applicants for employment.

The employee shall, before going to work, obtain from the Union office a referral slip to the Employer. Said slip shall be given the employee immediately, or within one hour's time. The employee shall present the referral slip to the Employer or his representative upon reporting for work. The Employer or his representative shall notify the yard or shop steward of the new hire, giving his name, classification and date of hire.
